1. "Save the Whales!" "Save the Forests!" So often do we hear the cries. Pro-
2. Rights for animals. Rights for cat - tle. The mantras we so often hear.
3. Save the earth from the scourge of mankind. Just listen you'll hear what they say.
4. Many issues face us. Many are the problems. Challenges we face for sure.

tect the owl, the polar bear and walrus. Meanwhile we let our children die. (Ch:) How many
Stand for victims of the wars and battles. Meanwhile we let our children disappear.
Clean up pollution and re-move the land mines. Meanwhile we kill our children every day.
How do we think we are going to solve them, when we think that killing is the cure?

more must die before we fin'ly come together? Before we stand our ground? Before we say "No more!?" What

C F6 G C F G6 G7 C

will it take before we make firm our endeavor and demand that every child have its rights restored?
