VERSE

B^b F Gm F Gm Dm C F

We have seen the innocents fallen to the blade. We have learned the secrets finally displayed. We have
 We have seen the children broken and destroyed. We have learned of those for whom compassion is devoid. We have
 We have seen the violence that seems beyond belief. We have learned of the horror that grips our hearts with grief. We have
 We have seen the atrocity that does the whole earth fill. We have learned how the blood of the innocent they spill. We have

B^b C Dm C F C7 F

vowed that no more shall such sacrifice be made. No more! No more! No more!
 vowed to end the killing all our strength will be employed. No more! No more! No more!
 vowed that the children will finally find relief. No more! No more! No more!
 vowed that no more will they butcher, crush and kill. No more! No more! No more!

CHORUS:

F C F C F

No more will we believe the lie. No more we'll let the children die. The

killing machines no more will roar. No more will you kill. No more! No

C F C F

more! No more! Stop, we say, no more! Put an end to the violence and the gore!

Dm B^b F C F

On the children no more will you make war! No more! No more! Stop, we say, no more!
