Ward Ricker

Date: September 11, 2013

Little children perish every day across our land. Be - cause they're incon - venient, be - cause they were not planned.

Just because they're young and weak, in a dependent state. Will we stand up and bold and firm and save them from their fate?

Save them in the	homes of Indi - ana.	Save them	on the	shores of	Or - e - gon.
...	Washington
...	Lake Huron.
...	Galveston
...	Lake Jackson
...	Lake Michigan
...	Lake Wobegon
...	setting sun.

Save them in the	streets of Santa Ana.	If you don't do it then it	won't get done.
