What kind of people? What kind of people? What kind of people will do it all and then turn around and smile?

Detailed description: This system contains the fourth and final line of music. The vocal line concludes with the lyrics: "What kind of people? What kind of people? What kind of people will do it all and then turn around and smile?". The piano accompaniment concludes with the same rhythmic and harmonic structure.

Verse 1:

What kind of people? What kind of people?
What kind of people would crush the skulls of little ones so small?
What kind of people? What kind of people?
What kind of people would torture and kill the most innocent of all?
What kind of people? What kind of people?
What kind of people would tear the limbs from a little human child?
What kind of people? What kind of people?
What kind of people would do it all and then turn around and smile?

Verse 2:

What kind of people? What kind of people?
What kind of people would help them out as they ply their deadly trade?
What kind of people? What kind of people?
What kind of people would assist them as the innocent are slayed?
What kind of people? What kind of people?
What kind of people would prod them on as they carry on so vile?
What kind of people? What kind of people?
What kind of people would help them kill and then turn around and smile?

Verse 3:

What kind of people? What kind of people?
What kind of people would do nothing as they rip the babes apart?
What kind of people? What kind of people?
What kind of people would look away as they kill a beating heart?
What kind of people? What kind of people?
What kind of people would shrug it off and not let their hearts be riled?
What kind of people? What kind of people?
What kind of people would see the truth and then turn around and smile?
